Sandwich, MA 02563

SUBJECT: 2027 CCBCC SHOW PLACARDS
Date: November 22, 2026

Send information so we can create a 2027 CCBCC SHOW PLACARD for you and your car. The goal is that all CCBCC members will have a consistent club placard that they can display at club events to create interest, start conversations, and inform viewers about your car.
This is a new placard format for 2027 that is simplified over previous formats. If you already have a placard, CCBCC or other, please order a new one as we are using this new format for 2027.

Please send CAR INFORMATION & ICE-BREAKER QUESTION (typed if you can, please) to markpasquill@gmail.com.

- **CAR INFORMATION**
  - Brand
  - Model
  - Year
- **ASK ME THIS QUESTION (ice-breaker question)**
  - Owner should list ONE question that they would like people to ask about their car. The question should be an ice-breaker leading to an interesting conversation.
  - Examples:
    - Where did you find this car? *Found at a scrap yard - saved it from the crusher.*
    - What was your first ride in this car? *My dad owned the car, my first ride was as a newborn baby coming home from the hospital in 1953.*
    - What was your most interesting experience in the car? *Wheel fell off at 55 mph.*
    - Who was the first owner of this car? *Me. I bought it brand new in 1966, 60 years ago.*
    - What was your biggest problem during restoration? *Rebuilding the engine in my living room.*
    - And so on.

Mark will make the placard and you can collect it at a CCBCC event. Thanks again,

Cameron Ferguson, President
