2023 Membership Renewal

To: All CCBCC Members

Subject: 2023 Cape Cod British Car Club (CCBCC) Membership Renewal Reminder

I would like to thank you for your patience as we worked behind the curtain on the CCBCC website to better accommodate membership renewals. There were some holdover problems from the transition to the new website in 2021/22, but we think enough is now working properly to accept 2023 membership renewals. Some of you have already renewed or just recently joined the CCBCC and we thank you for your support. It is much appreciated, we have updated your Account Information, and you do not need to do anything further.

For those who have not yet renewed their membership for 2023, here are some instructions to help make it a little easier. To renew your membership for 2023, you need to remember how you signed up in 2022 and choose from one of the two following situations:

- **Membership Renewal Situation #1:** If you used a credit card or PayPal on the CCBCC website to create a new membership or renew an existing membership in 2022, you do NOT need to do anything more for 2023. Your membership was set up as a recurring annual payment and your credit card/PayPal will be automatically charged 12 months from the date of your 2022 payment. No further action is necessary. As we receive notice of automatic payments from PayPal, we will update your CCBCC account information.
- **Membership Renewal Situation #2:** If you used a personal check, money order or cash and did NOT use a credit card or PayPal to create a new membership or renew an existing membership in 2022, your membership will expire March 30, 2023. To renew your membership, you have two options: 1) send a check/money order in the USPS mail, OR 2) pay on-line through the website using use a credit card/PayPal. Here's how to do either:
 1. **Check or Money Order:** Send a \$40 check or money order payable to the *Cape Cod British Car Club, P.O. Box 1661, Sandwich, MA 02563*. Please include "2023 Renewal" on the memo area of the check. Please DO NOT send cash through the mail.
 2. **Credit Card / PayPal:** open the CCBCC website and log-in, go to MEMBERS and click on Renew Membership. Check and/or complete the form and move down to the bottom and click Proceed to Payment. You will be directed to a PayPal page where you can pay \$40 either through your PayPal account (if you have one) or with a credit card. Follow instructions to finish. By renewing your membership online, you will enjoy the convenience of future dues payments being paid automatically to the Club every twelve months with no checks to write, letters to mail or the cost of postage.

Once we have received your payment through either option (credit card or check), we will update your CCBCC account information. As you know, CCBCC is an IRS approved 501c3 charitable non-for-profit organization, therefore your \$40 annual membership may be tax deductible.

Again, I would like to thank you for your patience and understanding as we continuously try to improve the capability of our website. It really is a challenge.

Thanking you in advance for your continued support. Please contact me if you have any questions.
