

## **New England Triumphs Annual Ramble Weekend**

**New England Triumphs is proud to announce the “Ramble” for NET Club Members. The '24 Ramble is being held in historic Plymouth, MA on October 18-20, 2024.**

Join us for a weekend of club camaraderie and socializing centered on driving, riding and enjoying our Triumph (or other LBC) cars as they were intended to be used. This event will be a fun weekend without a strict itinerary or schedule and has a casual laid back atmosphere. The event format allows for informal socializing and flexibility within your comfort level.

The Ramble is a club event that will explore pockets of the New England region on an annual basis. There will be a geographical rotation of the event that creates exposure of the club to different regions of New England.

Participants will have a variety of drives/routes presented by the hosts and can make a choice on when and what routes they would like to drive based on their confidence, condition of their cars and timeline they want to commit to. From full day excursions to local short drives exploring the local scene and everything in between will be offered to NET club members.

Anyone can go to the NET Ramble home page [netramble.org](http://netramble.org) - for more details and information about this fun weekend.

To become an NET club member costs only \$20 per year. Log onto: [New England Triumphs – For past, present and future Triumph owners](#) click on the “Join” tab and fill out the membership form. Payment can be made on the website. Once you are a member of the club, you can access the member’s only section of the website. Under the members only section you will find the Ramble registration link at the bottom of the page. From this page, you can register for Ramble '24 in historic Plymouth, MA on October 18-20, 2024. Registration for the event is free. You will also find information on the site for the host hotel as well as a promo code for a discounted room for the event.

We hope you can join us for the NET Ramble each year and meet new friends, learn more about New England and improve your Triumph (or other LBC)!

Tim Hutchisen  
NET Ramble coordinator
