SUBJECT: CCBCC SHOW PLACARDS

Send information about your car to the CCBCC so we can create a CCBCC SHOW PLACARD for you and your car. You will be able to use the CCBCC Show placard at all car shows to create interest, start conversations, and inform viewers about your car. If you already have a placard, CCBCC or other, please order a new one as we are using a new format and want all placards to look alike to create a CCBCC club vibe.

Please send the following information (typed if you can, please) and a photo to markpasquill@gmail.com.
